How is TEF Canada graded?

As of February 2016, the TEF scores are calculated with the following new point system:

Bonne réponse	3 points	Bonne réponse	1 point
Pas de réponse	0 point	Pas de réponse	0 point
Mauvaise réponse	-1 point	Mauvaise réponse	0 point

TEF and TEF Canada score results are reliable measurements of language proficiency. An official certificate which is valid for two years is awarded.
